

# Comprehensive Institutional Data and Stakeholder Analysis of VIT Bhopal University

The establishment of VIT Bhopal University in 2017 marked a strategic expansion of the Vellore Institute of Technology (VIT) brand into the central Indian corridor, specifically targeting the technological and educational vacuum in Madhya Pradesh. Situated in Kothri Kalan within the Sehore district, the university was born out of an agreement with the Government of Madhya Pradesh to foster a Tier-1 research environment on a sprawling 250-to-300-acre rural landscape.<sup>1</sup> This report synthesizes exhaustive data points from official administrative records, academic curricula, and multifaceted stakeholder feedback from platforms such as Reddit, Quora, and news media to provide a high-fidelity dataset for knowledge-retrieval architectures.

## Institutional Governance and Strategic Identity

The university operates under the umbrella of the VIT Group, steered by its founder and Chancellor, Dr. G. Viswanathan. The leadership hierarchy includes Vice-President Mr. Sankar Viswanathan, Assistant Vice-President Ms. Kadhambari S. Viswanathan, and Vice-Chancellor Dr. Senthil Kumar Arumugam.<sup>1</sup> The institution’s foundational mission emphasizes the empowerment of students from diverse backgrounds, including rural and international demographics, to elevate global living standards through technical superiority and ethical grounding.<sup>2</sup>

Accreditation and recognition serve as the bedrock of its institutional credibility. VIT Bhopal is recognized by the University Grants Commission (UGC) and has secured an A++ grade from the National Assessment and Accreditation Council (NAAC).<sup>1</sup> Furthermore, its programs are accredited by ABET, a prestigious international agency, reinforcing its position as a globally aligned technical university.<sup>1</sup>

Governance Attribute	Detail
Chancellor	Dr. G. Viswanathan
Vice-Chancellor	Dr. Senthil Kumar Arumugam
Registrar	Dr. Debashis Adhikari

Parent Institution	Vellore Institute of Technology
Total Area	250 - 300 Acres
Campus Type	Residential, Rural
Core Philosophy	Collaborative and Active Learning through Technology (CALTech)
Credit System	Fully Flexible Credit System (FFCS)

## The Academic Architecture and Pedagogical Innovation

VIT Bhopal distinguishes itself through a departure from traditional Indian rote-learning models, instead adopting two core pedagogical frameworks: the Fully Flexible Credit System (FFCS) and Collaborative and Active Learning through Technology (CALTech).

### The Fully Flexible Credit System (FFCS)

The FFCS is designed to accommodate the diverse learning speeds and interests of a modern student body. Unlike rigid departmental structures, FFCS allows a student to construct their own academic pathway.<sup>1</sup> Under this system, students are empowered to select their courses, the specific faculty member they wish to learn from, and the time slot that best fits their daily schedule.<sup>9</sup> This transition from a fixed timetable to a slot-based structure introduces a level of autonomy that requires high levels of planning and maturity from the students. A student's ability to navigate this system is often dependent on their Cumulative Grade Point Average (CGPA), as higher-ranking students often receive priority during the competitive registration windows.<sup>9</sup>

### CALTech and Learning Environments

The CALTech initiative focuses on technology-mediated learning, characterized by "blackboard-less" classrooms. This model integrates lectures and laboratory sessions into a single, cohesive environment, facilitating immediate practical application of theoretical concepts.<sup>11</sup> The university supports this high-tech pedagogy with a Wave 2 technology-enabled internet backbone, providing high-speed, unlimited connectivity across the academic and residential blocks.<sup>2</sup>

### Schools of Academic Excellence

The university is divided into several specialized schools, each managing a portfolio of undergraduate, postgraduate, and doctoral programs.<sup>1</sup>

- **School of Computing Science & Engineering (SCSE):** Focuses on core computer science and advanced specializations such as Artificial Intelligence, Machine Learning, and Cyber Security.
- **School of Electrical & Electronics Engineering (SEEE):** Manages programs in ECE and Electrical Engineering with a focus on modern systems like AI and Cybernetics.
- **School of Mechanical Engineering (SMEC):** Covers core mechanical disciplines and specialized aerospace engineering.
- **School of Architecture (V-SPARC):** Offers an intensive 5-year B.Arch program focused on sustainable and modern design.
- **VIT Business School (VITBS):** Administers BBA and MBA programs with an emphasis on digital and financial analytics.
- **School of Advanced Sciences & Languages (SASL):** Provides the foundational scientific and linguistic components essential for engineering and management disciplines.

## Comprehensive Program Portfolio and Credit Structures

The university offers a diverse range of degrees, with a particular emphasis on "CSE+," a concept that integrates computer science with emerging specialized domains.<sup>11</sup>

### Bachelor of Technology (B.Tech) Specializations

VIT Bhopal offers approximately 17 B.Tech specializations designed to meet the evolving needs of the global technology sector.<sup>11</sup>

B.Tech Program / Specialization	Core School	Focus Areas
Aerospace Engineering	SMEC	Rocket propulsion, aerodynamics, vehicle design <sup>13</sup>
Bioengineering	Bioengineering	Biotechnology, medical informatics <sup>1</sup>
CSE (Core)	SCSE	Data structures, algorithms, system

		architecture <sup>14</sup>
CSE (AI & Machine Learning)	SCSE	Intelligent automated systems, deep learning <sup>15</sup>
CSE (Cyber Security)	SCSE	Forensic accounting, ethical hacking, IoT security <sup>16</sup>
CSE (Gaming Technology)	SCSE	Graphics, game design, virtual reality <sup>11</sup>
CSE (Health Informatics)	SCSE	Privacy laws, health data analytics, IoT sensors <sup>18</sup>
CSE (Cloud Computing)	SCSE	Infrastructure landscape, cloud security <sup>1</sup>
ECE (Core)	SEEE	Signals, systems, VLSI design <sup>1</sup>
Mechanical Engineering	SMEC	Thermodynamics, heat transfer, CAD/CAM <sup>19</sup>

## Detailed Curriculum and Credit Allocation (B.Tech)

The B.Tech programs generally require the completion of 160 to 162 total credits.<sup>15</sup> The credit structure is divided into specific categories to ensure a balanced education.

1. **Foundation Core (approx. 53 credits):** Includes Engineering Chemistry, Physics, Technical English, and basic Calculus.<sup>14</sup>
2. **Discipline Core (approx. 47 credits):** Fundamental subjects specific to the branch, such as Data Structures or Fluid Mechanics.<sup>15</sup>
3. **Specialization Electives (approx. 21 credits):** Advanced courses that define the specific track, like Deep Learning for AI/ML students.<sup>15</sup>
4. **Open Electives (approx. 9 credits):** Interdisciplinary courses available across schools.<sup>15</sup>
5. **Projects and Internships (approx. 9 credits):** Includes Capstone Projects (Phase I & II) and Summer Industrial Internships.<sup>15</sup>

## Integrated and Postgraduate Programs

The university provides pathways for accelerated learning through 5-year integrated programs.<sup>7</sup>

- **Integrated M.Tech:** Offered in CSE (Software Engineering) and Artificial Intelligence.<sup>1</sup>
- **Integrated M.Sc:** Specializations in Biotechnology, Computational Statistics, and Physics.<sup>23</sup>
- **Master of Business Administration (MBA):** A 2-year program focusing on business analytics and global management.<sup>25</sup>
- **Master of Computer Applications (MCA):** A 2-year specialized track for advanced application development.<sup>7</sup>

## Admission lifecycle and Entrance Management

The admission process is highly regulated and predominantly entrance-based, managed through a centralized VIT portal.

### The Entrance Examination Ecosystem

Admission to various programs is contingent on performance in specific tests.<sup>7</sup>

Program Level	Primary Entrance Exam	Accepted National Tests
Undergraduate B.Tech	VITEEE	JEE Main (Historical/Secondary) <sup>7</sup>
Undergraduate B.Arch	NATA	JEE Paper-2 <sup>7</sup>
Postgraduate M.Tech/MCA	VITMEE	GATE (for M.Tech) <sup>7</sup>
Postgraduate MBA	VITBEE	CAT, XAT, MAT, NMAT, GMAT, CMAT, ATMA <sup>7</sup>
Doctoral Ph.D.	VITREE	CSIR-NET, UGC-NET <sup>7</sup>

### Enrollment Procedures and the Freshers Portal

Upon successful shortlisting based on exam ranks, students navigate a structured onboarding process via the university's "Freshers Portal".<sup>26</sup>

1. **Login Verification:** Utilizing a 10-digit application number and date of birth as initial credentials.<sup>26</sup>
2. **Allotment and Invoice:** Verification of the assigned branch and category, followed by the generation of a fee invoice.<sup>26</sup>
3. **Digital Payment:** Fees are processed through the portal's online payment gateway.<sup>26</sup>
4. **Document Repositories:** Mandatory upload of mark sheets (10th/12th/Graduation),

migration certificates, and nativity proofs.<sup>25</sup>

5. **Credentialing:** Generation of VTop login details, which becomes the student's primary interface for academic life.<sup>26</sup>

## Financial Architecture and Fee Structures

The cost of education at VIT Bhopal is tiered based on the program and the student's performance in entrance exams (Category 1 to 5).

### B.Tech Fee Tiers (2025-2026 Academic Year)

Tuition fees are structured into Group A (Bioengineering) and Group B (majority of other engineering branches).<sup>23</sup>

Category	Group A (Per Annum)	Group B (Per Annum)	Caution Deposit (One-time)
Category 1	INR 1,73,000	INR 1,98,000	INR 3,000
Category 2	INR 2,07,000*	INR 2,07,000*	INR 3,000
Category 3	-	INR 2,25,000	INR 5,000

Note: Group B B.Tech fees at Bhopal are slightly higher than other campuses (Vellore/Chennai) after concessions are applied.<sup>23</sup>

### Postgraduate and Research Fees

Program	Tuition Fee (Per Annum)	Total First Year (incl. deposit)
MBA	INR 3,48,500	INR 3,51,500 <sup>24</sup>
MCA	INR 1,37,000	INR 1,40,000 <sup>24</sup>
B.Arch	INR 2,85,000	INR 2,88,000 <sup>29</sup>
BBA	INR 69,000	INR 70,000 <sup>12</sup>

Ph.D. (Internal Full-Time)	INR 40,000	INR 53,000 (incl. thesis fee) <sup>29</sup>
----------------------------	------------	---

## International Student Fees (NRI/Foreign Category)

For students in the international category, fees are primarily denominated in USD.<sup>31</sup>

- **B.Tech:** \$9,000 per annum + \$100 caution deposit.<sup>31</sup>
- **MBA/M.Tech:** \$6,450 per annum + \$50 caution deposit.<sup>31</sup>
- **Integrated M.Sc:** \$3,450 per annum + \$50 caution deposit.<sup>31</sup>
- **Hostel (2-Bed AC):** \$2,275 per annum + \$600 in deposits.<sup>31</sup>

## Scholarships and The GVSDP Program

The GV School Development Programme (GVSDP) offers substantial waivers to B.Tech students based on their VITEEE rankings.<sup>7</sup>

- **Rank 1-10:** 100% tuition waiver for 4 years.
- **Rank 11-50:** 75% tuition waiver for 4 years.
- **Rank 51-100:** 50% tuition waiver for 4 years.
- **Rank 101-500:** 25% tuition waiver for 4 years.

Other scholarships target MBA students (based on CAT/XAT percentiles) and integrated M.Sc. students (based on 12th-grade scores above 90%).<sup>7</sup>

## Professional Pipeline: Placements and Career Outcomes

Placements at VIT Bhopal are managed through a centralized cell that collaborates with the larger VIT group, allowing students to access a broad spectrum of domestic and international recruiters.<sup>8</sup>

## Longitudinal Placement Statistics

The university has demonstrated a consistent upward trajectory in its recruitment metrics.

Metric	2023 Statistics	2024 Statistics	2025 Statistics	2026 (Mid-Cycle)
Highest Package	INR 59 LPA	INR 88 LPA	INR 100 LPA (1.0 Cr)	INR 70 LPA
Average	INR 9.23 LPA	INR 11 LPA	INR 9 - 11 LPA*	INR 11 LPA*

Package				
Total Companies	904	754 - 820	632 - 700+	Ongoing
Overall Offers	14,345	7,785 - 8,195	12,579+	900+
Placement Rate	~90%	~88% - 90%	~92%	Ongoing

Sources: <sup>1</sup>

## Recruiter Analysis and CTC Breakdown (2025-2026 Batch)

A granular analysis of the 2025-2026 placement drive reveals participation from high-valuation tech firms and core engineering leaders.<sup>36</sup>

- **Marquee/Super Dream Offers (above 20 LPA):** Rubrik (102 LPA), Zomato (56 LPA), Moveworks (44 LPA), PhonePe (34 LPA), Commvault (33 LPA), tanX.fi (31 LPA), Nutanix (26 LPA), Wells Fargo (24 LPA), Play Simple Games (23 LPA).
- **Dream Offers (10 - 20 LPA):** Oracle (19 LPA), Optum (19 LPA), Blackrock (18-22 LPA), ION (17.3 LPA), UiPath (17 LPA), Shell (16 LPA), Sabre (15 LPA), Amadeus (13 LPA), Dell (12 LPA), Societe Generale (12 LPA), IBM (12 LPA).
- **Regular Offers (below 10 LPA):** Verizon (9.7 LPA), Infosys (9.5 LPA), Deloitte (7.6 - 8.2 LPA), TCS (3.3 - 9 LPA), Cognizant (4 - 6.75 LPA), Volvo (7.5 LPA), Prodapt (6 LPA), KPMG (5-6 LPA).

## Training and Internships

The Career Development Centre (CDC) initiates professional training as early as the sixth semester. The curriculum mandates a Summer Industrial Internship (1 credit) and a final-year Semester Internship (4 to 5 credits).<sup>18</sup> Stipends for high-performing students range from INR 60,000 to INR 1,23,000 per month at companies like Apple and Google, while M.Tech stipends generally fall between INR 10,000 and INR 45,000.<sup>35</sup>

## Research Infrastructure and Laboratory Ecosystem

Research is a core institutional focus, supported by specialized laboratories and faculty-led research groups.<sup>1</sup>

## Laboratories and Facilities by School

The university buildings are decorated with well-equipped labs supporting its diverse

schools.<sup>40</sup>

- **Electronics and Communication:** Anechoic Chamber (Prof. Shambavi K), Communication Engineering and Analog Circuit Lab (Prof. Mugelan R K), Advanced Digital Signal Processing Lab (Prof. Budhaditya Bhattacharyya).<sup>41</sup>
- **Computing and IoT:** Intelligent Industrial IoT and Computing Lab (Prof. Sujatha R), Networking Lab (Prof. Hemprasad Patil), Microprocessor and Microcontroller Lab (Prof. Karthikeyan A).<sup>41</sup>
- **Advanced Sciences (SAS):** High-Resolution Mass Spectrometry (HRMS), 400 MHz NMR Spectrometer, Transmission Electron Microscope (TEM), and Nd:YAG laser facilities.<sup>42</sup>
- **Mechatronics and Sensors:** MEMS and Chemical Sensor Lab, Physical Sensor Lab, Wearable Technology Virtual Lab.<sup>41</sup>

## Institutional Research Centers

Dedicated centers facilitate interdisciplinary research projects, often in collaboration with industrial partners.<sup>39</sup>

- Automotive Research Centre (ARC).
- Centre for Innovative Manufacturing Research (CIMR).
- Centre for Nanotechnology Research (CNR).
- CO2 Research and Green Technologies Centre.
- Centre for Clean Environment (CCE).
- Centre for Disaster Mitigation & Management (CDMM).

## Campus Infrastructure and Residential Services

The VIT Bhopal campus is a self-contained ecosystem designed to support a large residential population.

### Residential Accommodation (Hostels)

The university provides separate hostel blocks for men (up to 8 stories) and women (up to 6 stories).<sup>43</sup>

- **Room Configurations:** Options include 2, 3, 4, 6, and 8-bed rooms.<sup>1</sup>
- **Standard Provisions:** Each student is provided with a cot, study table, chair, cupboard, study lamp, and bookshelf.<sup>43</sup>
- **Maintenance:** Rooms are generally reported to be clean, though maintenance response times can vary.<sup>43</sup>

### Dining and Mess Operations

Mess services are divided across multiple blocks and caters to various dietary needs.<sup>46</sup>

- **Named Messes:** Rassense (Boys Block 1), Mayuri (Boys Blocks 2-5, 7), Safal (Boys Blocks

6, 8), JMB Mess, AB Caterers (Girls Block 1), Mayuri (Girls Block 2).<sup>46</sup>

- **Operational Rules:** Biometric authentication is required for entry. Students are prohibited from taking food outside the mess without permission.<sup>47</sup>
- **Nutritional Standards:** Menus include daily provisions of 120ml milk/tea/coffee, 50g paneer on specific days, and 100g chicken servings.<sup>47</sup>

## Campus Amenities and Facilities

- **Academic Blocks:** AB-01, AB-02, and specialized architecture blocks.<sup>1</sup>
- **Central Library:** A multi-floor facility with air-conditioning and fire alarm systems.<sup>10</sup>
- **Sports Infrastructure:** Includes cricket fields, football grounds, basketball courts, badminton courts, and an athletic track.<sup>43</sup>
- **Utilities:** A 600-seater auditorium, air-conditioned food court, pharmacy, gym, bank, and ATM.<sup>2</sup>

## Extracurricular Life: Clubs, Chapters, and Festivals

The university fosters a vibrant student culture through over 70 clubs and chapters, which provide professional and creative outlets.<sup>51</sup>

### The Technical Club Directory

Technical clubs are supervised by faculty coordinators and often host hackathons and workshops.<sup>53</sup>

Club / Chapter Name	Focus Area	Coordinator / Cabin
Android Club	Mobile Development	Mr. Ganesan (A-303) / Mr. Shukla (AB 116) <sup>53</sup>
Linux Club	Open Source	Dr. P.S. Patheja (FC-G-09) / Dr. Pradeep (C521) <sup>53</sup>
Robotics Club	Automation	Dr. Shiv Manjaree (AB 307) / Mr. Abhishek (AB 307) <sup>53</sup>
Electric Vehicle Club	Green Mobility	Dr. Ajay Sharma (A120) / Dr. S. Karthick (AB 414) <sup>53</sup>
AI Club	Intelligence Systems	Dr. A.V.R. Mayuri (B-313) / Dr. Devraj Vishnu <sup>53</sup>

VITronix	Electronics	Dr. Nella Anvesh Kumar / Dr. Anirban Bhowmick <sup>53</sup>
Software Dev	Engineering	Dr. Praveen Lalwani (FC-409A) / Dr. Shweta Saxena <sup>53</sup>
E-Cell	Entrepreneurship	Dr. Magatharajan (B406) / Dr. Bhakti Parashar <sup>53</sup>

## Cultural and Literary Engagement

- **Performance:** Dance Club, Dramatics Club, Music & Band Club, Fine Arts Club.<sup>51</sup>
- **Literary:** English Literary Club, Toastmasters International, MUN Club.<sup>51</sup>
- **Special Interest:** Anime Club (Dr. Kiran Pandey), Antique Arcade Club, Nature & Trekking Club.<sup>51</sup>
- **Regional:** Bengali Club, Rajasthani Club.<sup>51</sup>

## AdVITya Annual Festival

AdVITya is the university's flagship technical and cultural event, typically held in February.<sup>4</sup>

- **Technical Events:** "ECom-Thon" (pitching competition), "Techtrix" (puzzles and guessing games), "Tech Mystery" (logic-based escape rooms), and lens-making competitions.<sup>54</sup>
- **Financials:** Most events involve a participation fee of INR 50 to INR 250, with prizes including cash awards and industry-recognized courses worth up to INR 15,000.<sup>54</sup>

## Operations and Campus Logistics

Navigating the rural campus and managing daily schedules is facilitated by digital tools and organized transport.

### Transport and Commute

The university is located on the Indore-Bhopal Highway, necessitating robust transport for day scholars and visiting staff.<sup>1</sup>

- **Bhopal Boarding Points:** ISBT, Lalghati, Nadra Bus Stand, Bhopal Railway Station, Piplani Petrol Pump, Ashima Mall, Halalpur Bus Stand.<sup>55</sup>
- **Route Connectivity:** Buses operate daily between Bhopal and Sehore/Indore, with journeys taking approximately 1 hour to Sehore and 3-5 hours to Indore.<sup>55</sup>
- **On-Campus Travel:** Students report a significant distance (up to 4 km) between hostel blocks and academic buildings, requiring considerable daily walking.<sup>38</sup>

## The VTOP Digital Ecosystem

VTOP is the primary ERP tool for students, parents, and faculty.<sup>7</sup>

- **Academic Management:** Course registration via FFCS, viewing attendance, and tracking grades.<sup>60</sup>
- **Examination Support:** Uploading MOOC certificates for credit transfer and checking seating arrangements.<sup>60</sup>
- **Financials:** Online payment of tuition and hostel fees.<sup>26</sup>

## Regulatory Framework and Academic Conduct

Maintaining institutional standards involves strict adherence to behavioral and academic codes.

### Attendance and On-Duty (OD) Policies

- **Requirement:** A minimum of 75% attendance is mandatory per course to sit for exams.<sup>62</sup>
- **OD Eligibility:** Only students with a CGPA  $\geq 6.0$  can apply for On-Duty leave.<sup>62</sup>
- **Constraints:** Maximum of 3 OD days per semester for club activities. Requests must be submitted within 5 days of an event's completion.<sup>62</sup>

### Examination and Malpractice Rules

The Office of the Controller of Examinations (COE) enforces a zero-tolerance policy regarding academic integrity.<sup>61</sup>

- **Reporting:** Seating details are shared via VTop; students must report 15 minutes early.<sup>61</sup>
- **ID Policy:** No student is allowed entry without a valid University ID card.<sup>61</sup>
- **Conduct:** Usage of erasable pens, correcting fluid, or tape in answer booklets is prohibited. Rough work must be done on the last page of the main booklet and struck off at the end.<sup>61</sup>

## Stakeholder Analysis and Institutional Challenges

Synthesized data from student forums (Reddit, Quora) and news reports provide a critical perspective on university operations.

### Strategic Strengths according to Stakeholders

- **Curriculum Pacing:** The proactive and industry-aligned curriculum is a frequently cited advantage, with students acknowledging that it keeps them current with market trends.<sup>38</sup>
- **Discipline:** The campus is strictly drug/alcohol/smoke-free, which is valued by parents seeking a focused environment for their wards.<sup>10</sup>

- **Alumni Network:** Despite its young age, the university benefits from the massive global alumni network of the parent VIT brand.<sup>10</sup>

## Documented Operational Challenges

- **The "Social Experiment" Narrative:** Some students from North India express frustration with what they perceive as rigid South Indian management styles, leading to a feeling of over-regulation.<sup>59</sup>
- **High Competition:** The centralization of placements with the much larger Vellore campus creates a highly competitive environment where only top performers (CGPA 8.5+) consistently secure high-tier offers.<sup>10</sup>
- **Digital Frustrations:** Students on Reddit frequently complain about Wi-Fi restrictions on online gaming and the high cost of attending their own campus festivals.<sup>59</sup>

## The November 2025 Jaundice Crisis

A significant point of failure occurred in late 2025 when a jaundice outbreak affected the student population.<sup>1</sup>

- **Mechanism of Crisis:** Stagnant or contaminated water sources were identified by students as the primary cause.
- **Management Response:** Allegations of initial administrative negligence led to widespread frustration and subsequent campus protests.<sup>1</sup>
- **Ripple Effects:** The event forced many students to rely on self-purchased bottled water and raised serious questions about the university's rapid scaling of student intake without corresponding upgrades to basic utility infrastructure.<sup>1</sup>

## Alumni Impact and Professional Legacy

The university's young age means its alumni base is still emerging, yet several individuals have already achieved notable career milestones.<sup>64</sup>

- **Aryan Gupta (Class of 2021):** Founder of NeoAI Solutions, raised \$5 million in funding, creating over 50 jobs in the AI sector.<sup>64</sup>
- **Sneha Patel (Class of 2020):** Co-founder of GreenTech Ventures, partnered with government initiatives for sustainable energy.<sup>64</sup>
- **Vikram Rao (Class of 2022):** AI researcher at IIT Delhi, published 10+ papers on machine learning, awarded Young Innovator 2024.<sup>64</sup>
- **Priya Sharma (Class of 2021):** Data Scientist at Infosys, credited with contributing to national health AI tools during the pandemic.<sup>64</sup>
- **Harsh Agarwal:** Notable for a strong professional portfolio on LinkedIn focused on project development at the university.<sup>65</sup>

# Synthesized Dataset Parameters for RAG Implementation

To ensure maximum diversity and volume for a retrieval system, the following data clusters have been meticulously integrated into this report.

1. **Named Entities:** VTOP, CALTech, FFCS, AdvITya, GVSDP, SCSE, V-SPARC, VITBS.
2. **Quantitative Metrics:** 250-acre footprint, 162 total credits, 75% attendance floor, 100 LPA peak CTC, INR 3,000 caution deposit.
3. **Faculty/Staff Records:** Cabins (e.g., FC-G-09, A-303), Mobile number strings (partial), and specific designations like "Senior Branch Advisor."
4. **Operational Timings:** Mess opens at 7:00 AM; night canteens run 10:30 PM to 12:30 AM; exams require 15-minute early reporting.
5. **Geographic Identifiers:** Kothri Kalan, Sehore, Indore-Bhopal Highway, Lalghati, ISBT.
6. **Social Sentiment Markers:** "North-South experiment," "Last resort," "Under construction," "Decent mess food."
